#### FOOD FOR THOUGHT

"Encounter" refers to what happens when we allow ourselves to be transformed by our interaction with others—especially the poor, the vulnerable and the marginalized. Encounters push back against the indifference that pervades our world, because they help us see the world as Christ sees it. In these moments, stepping outside of ourselves and seeing the realities of others, we stop and listen, and we gain a vastly new perspective .

### THIS WEEK'S MESSAGE

Today's Gospel opens with the disciples requesting that Jesus increase their faith. For Jesus, faith is a gift that leads to service and that service is always in support of life! This Sunday we all pray for the flame of faith and zeal that will give us the courage to stand with all whose lives that are threatened by violence, the unborn, the death row prisoner, civilians caught in wars and conflict. Does our faith help us to see every life as precious in the eyes of God? In what areas should we ask God to increase our faith?
