ANOTHER SUCCESSFUL BAZAAR IS HISTORY

First, let us thank God for the beautiful weather provided for our Bazaar Day this past Sunday. And, thank you all for your presence, your volunteerism and great assistance in all areas of what it took to pull off another successful fundraising Bazaar.

Look for the insert in today's Bulletin which contains a list of all the Raffle Prize Winners at our Bazaar. There is also attached a list of all the cherished donors/sponsors for our Bazaar. If your name and item was omitted, it was not intentional. Please let us know and it will be published at a later date. Again, Thank You for your support and generosity of our "Big Annual Fundraiser."

A listing of all the Auction items and the highest bid amounts has been posted in the Narthex, if you wish to see those numbers. Also, from our initial accounting efforts, the Bazaar profit is looking good, but will be less than last year, but still good. As soon as the numbers are finalized and all invoices are in, we will publish a Profit Statement with our weekly Bulletin.

September 8 — Grandparents Day

Most people may not know that this day exists. Perhaps they have not had an opportunity to develop a relationship with their grandparents. They may not understand the gifts that grandparents can give. Grandparents can provide a sense of continuity and roots to their grandchildren. They can provide a sense that life matters, and the ability to see life within a larger context of time. With their strength and wisdom, Grandparents are an important part of our Catholic life.

HAPPY GRANDPARENTS DAY!!

THIS WEEK'S MESSAGE

How much are we willing to give up to be a follower of Jesus? In the Gospel, Jesus asks us to let go of everything important and dear to us: family, friends, possessions, position and even our very selves. Have we calculated the cost of discipleship? Philemon in the second reading had to give up social status in order to receive his runaway slave as a brother as Paul asked. Do we accept as brothers and sisters those whom society rejects because of Christ? How do we live that out?
